Village of Summit Invites Public to Open House June 1st

May 14, 2015 – The Village of Summit is hosting an Educational Open House at the Village Hall on Monday, June 1st from 6:00 pm to 8:00 pm to provide an update and gather feedback on the Facilities Plan created to address critical building deficiencies.

In April of 2014, the Village contracted with Bray Architects to create a Facilities Plan to address space needs and lack of efficiencies in the existing Village facilities. Bray will present findings of the study and tours will be given of the Police Department, Village Administration and the Department of Public Works, followed by opportunities for questions and answers.

The Village Board strongly encourages all Summit residents, business owners and property owners to attend. For more information about the event, please visit the Village of Summit Website at www.summitvillage.org or contact Henry Elling at 262.567.2757.
