RE: Public Informational Meeting on Floodplain Elevations
CTH P (Sawyer Road) Bark River Bridge and Weir replacement

The Village of Summit is hosting an informational meeting to identify the anticipated changes to the regulatory floodplain elevations on Upper Nemahbin Lake, Lower Nemahbin Lake, Lower Nashotah Lake and the Bark River up- and downstream from the CTH P (Sawyer Road) bridge.

Representatives from the Village of Summit, Waukesha County and Wisconsin Department of Natural Resources will be available to review the floodplain elevations resulting from this bridge and weir replacement project.

Thursday, October 23, 2014 (5:30 PM to 6:30 PM)
Presentation at 5:45 p.m.
Village of Summit Village Hall
2911 N. Dousman Road, Oconomowoc

Representatives from the Village Engineer's office and the design consultant will also be available.

If you have any questions about the meeting, please contact me here at Village Hall.

Cordially,

Henry J. Elling
Village Administrator
