## News & Updates...

### Greetings from the Wisconsin Department of Transportation!

The Wisconsin Department of Transportation (WisDOT) would like to inform businesses and residents about upcoming construction activities taking place along the corridor.

#### Upcoming schedule the week of October 19:

- Oconomowoc Drive is scheduled to open to one lane of traffic in each direction mid-week.
- Valley Road lane reductions just east and west of WIS 67 are scheduled late in the week to facilitate construction activities.

Additionally, existing side roads intersecting with WIS 67 that are currently under construction will see a traffic pattern change with new lane configurations.

**All project work and closures are weather dependent and subject to change.**
