OPEN HOUSE & TOUR OF VILLAGE BUILDINGS

Monday, June 1, 2015 | 6:00 - 8:00 p.m.

Summit Village Hall
2911 N Dousman Road
Oconomowoc, WI 53066

The Village of Summit is hosting an Open House at the Village Hall to educate the community about the Facilities Plan currently underway.

Residents and taxpayers will learn firsthand about the many issues of these aging buildings: antiquated systems and HVAC • lack of ADA compliance • inefficient use of space • proximity of public to private department workflows • location that is not central within the community it serves.

POLICE

Current critical needs affect:

- Public interaction
- Chain of custody process
- Evidence and detainee processing requirements
- Workflow efficiency due to cramped quarters
- A designated driveway for Police Department use only

ADMINISTRATION

Current critical needs include:

- Secure transaction counter/window in a main lobby
- Meeting rooms, office space, flexible public space
- Staff support/Public ease of use
- ADA code compliance
- Adequate event parking
- Secure record storage

PUBLIC WORKS

Current critical needs include:

- Usable space on-site in yard, garage and workspace
- Dedicated driveway for free access for equipment
- Sewer and water in building
- Secure equipment storage within building
