

Project BRIEF

WIS 67 Reconstruction Project Update

As part of Wisconsin Department of Transportation's (WisDOT) WIS 67 interchange reconstruction project, the following upcoming project work and closures are scheduled for the next phase of this project.

Upcoming schedule and closures the week of May 11:

- WIS 67 (SB) traffic switch to the east is scheduled for Friday, May 15, overnight. Two lanes will remain open for both north and south traffic from the I-94 ramps to Oconomowoc Parkway. Traffic will be reduced to one-lane in both directions from Delafield Road to I-94 and Oconomowoc Parkway to E. Forest Street.
- Oconomowoc Drive (west of WIS 67 only), is scheduled to close late in the week of May 11, in order to reconstruct the roadway.

Alternate Route: Motorists are encouraged to use Valley Road as their alternate route to get around the Oconomowoc Drive closure.

Overnight freeway and ramp closures scheduled May 18-21:

As part of the WIS 67 reconstruction project, crews will be demolishing the WIS 67 SB bridge over I-94, and will require multiple overnight freeway closures of I-94 EAST/WEST between the WIS 67 entrance and exit ramps.

- Full I-94 EAST/WEST freeway closure for bridge demolition is scheduled Monday, May 18 from 10 p.m. to 5 a.m.

Detour:

- Travelers on I-94 EAST will be detoured at WIS 67 (SB) exit ramp, turn right (south) on WIS 67 to Delafield Road (County DR), turn left (east) on County DR to County P. Follow the roundabout north to I-94 EAST entrance ramp.
- Travelers on I-94 WEST will be detoured at WIS 67 (NB) exit ramp, cross WIS 67 and continue to WIS 67 (SB) entrance ramp to I-94 WEST.
- I-94 WEST is also scheduled to close overnight, Tuesday, May 19 and Thursday, May 21 from 10 p.m. to 5 a.m. for WIS 67 (SB) bridge demolition over I-94 WEST (see detour above).
- WIS 67 (SB) entrance ramp (loop ramp) to I-94 EAST is scheduled to close Monday, May 18, Wednesday and Thursday, May 20-21 from 7 p.m. to 5:30 a.m.

Detour:

- Travelers will be detoured south on WIS 67 to Delafield Road (County DR), turn left (east) on County DR to County P. Follow the roundabout north to I-94 EAST entrance ramp.

Nighttime single lane closures on I-94 EAST/WEST can be expected over the next several weeks.

Businesses and residents should be aware that there will be noise and dust associated with the WIS 67 (SB) bridge demolition over I-94. Steps will be taken to minimize these effects.

Please note that all closures are weather dependent and subject to change.
